Some important points:

- *The End Term Examinations of courses like Capstone, Dissertation, Projects and similar courses will be scheduled as per the Guidelines released from time to time by the University.
- # The detailed schedule of Summer Term classes and Examination shall be circulated later via UMS announcement.
- The dates mentioned in the calendar, especially with regard to end of Mid Term and End Term Examinations, are tentative and a variation may occur. Students are advised to plan for travel after looking at their respective date sheet for all components of Regular End Term Examinations i.e. Theory (ETE) / Lab or Practical (ETP) / Viva for Projects/ Dissertations etc. As per University policy the student will be required to vacate the residential room/ apartment within 2 days after the end of all components of Regular End Term Examinations.
For example: The last date for conducting End Term Examination (ETE) including Theory and Capstone Evaluation (wherever applicable) for all programmes by the University is upto **Tuesday, May 28, 2024**. If a student's all components of Regular End Term Examination end on **Friday, May 24, 2024**, then as per University Policy, the student will have to vacate the hostel by **Sunday, May 26, 2024** and not **Tuesday, May 28, 2024**. Due to any unforeseen reason, if the University remains closed, then the University may declare any Sunday as working.
- Any examination may be held on Sunday.
